Reviews

Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

TURN THE FLANK: EXECUTIVE INTELLIGENCE REVIEW; VOLUME 45, ISSUE 40 (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Sept. 25- President Donald Trump used the occasion of his speech to the United Nations General Assembly today to utter a clear and unambiguous defense of the individual national sovereignty of every nation, as well as the right of those nations to a future of peace, economic development and prosperity. As to be expected, media coverage declared that the speech was a reiteration of Trump's alleged "America First" outlook, -thus attempting to smear the President by linking his views with the U.S. Nazi sympathizers of the 1930s-but for those who heard or have read the speech, what stands out is Trump's charity toward other nations, and his insistence that these nations all have the right to develop as sovereign powers, in cooperation with their neighbors. He repeatedly stressed the crucial importance of the culture and values of each and every nation in bringing about peace and development internationally. As he said in regard to the horror of the drug gangs and human traffickers in Ibero-America: "Ultimately, the only long-term solution to the migration crisis is to help people build more hopeful futures in their home countries. Make their countries great again!" Excerpts from the President's speech provide a vivid picture of his vision: Each of us here today is the emissary of a distinct culture, a rich history, and a people bound together by ties of memory, tradition, and the values that make our homelands like nowhere else on Earth. That is why America will always choose independence and cooperation over global governance, control, and domination. I honor the right of every nation in this room to pursue its own customs, beliefs, and traditions. The United States will not tell you how to live or work...
